

How to report a footpath issue in Leicestershire

- 1 Make a note of the location and nature of the footpath issue
- 2 If possible take a photograph showing the problem

- 3 Go to <https://www.leicestershire.gov.uk/roads-and-travel/cycling-and-walking/where-to-walk-in-leicestershire>
- 4 Scroll down to

Report a problem on a public right of way 

Click on this rectangle on the web page

- 5 Complete the questions on the form. Please include that you are a member of the Leicester ramblers. You will have to click on some drop down menus.

Report it

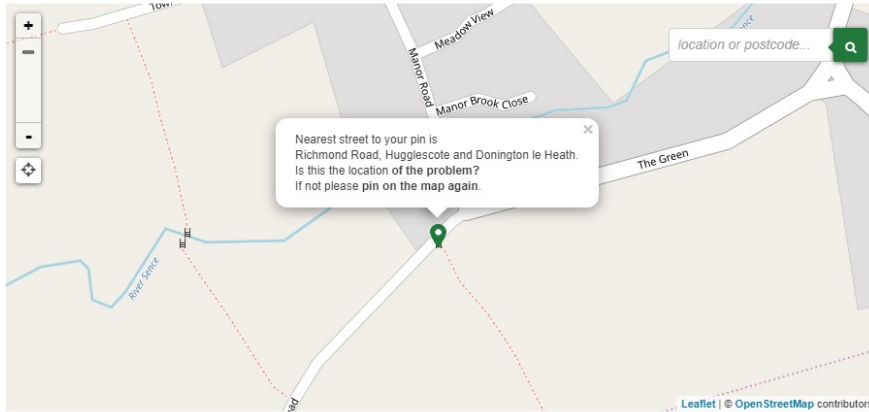

You do not have to login or sign up for an account to use this form. Please report one item at a time. Reports are monitored during office hours 8:30am-4:30pm Monday to Friday.

What are you reporting? *

Public Rights of Way

Please locate, zoom in and click on the exact location of the problem - Inaccurate information will cause delays to repairs and investigations.

Please confirm: Is this the correct location of the problem? *

Yes

(Optional) Location of the problem:

Donington Le Heath where National Forest way meets Richmond road

To help our inspectors locate the problem please provide information such as nearby features, landmarks or address details

Type of problem *

Stile

(Optional) Any other details - 442 characters remaining

Broken foot rest. Report by a member of Leicester ramblers

Photos are very helpful. Can you safely provide a photo of the defect? (Optional) Max. 2 files 9mb each

Submit

Most smart phone photos should be ok but high resolution photos taken with quality cameras may not upload so for those you could do a print scrn and save the photo in an app such as paint. Mention that you are a member of the Leicester Ramblers

6 Click on submit

Thank you - this issue has successfully been reported to Leicestershire County Council.

DISCLAIMER: In some cases Leicestershire County Council may have to contact third parties and/or follow a legal process which may add to the overall time taken to resolve an issue.

Report it

Ref: FS165258553

Issue reported: Public Rights of Way

Location: Richmond Road, Hugglescote and Donington le Heath, North West Leicestershire, Leicestershire, East Midlands, England, LE67 2FA, United Kingdom

Similar methods of reporting footpath issues exist for other counties. I have successfully reported issues in Rutland, Northamptonshire and Warwickshire. Google the county and add rights of way problem.

I keep a record of all our member reports which I pass on to area. It also gives me the info I need if I need to follow it up with LCC.

The info I need is

1 Date

2 Brief description of problem

3 4 figure national grid reference eg SK 4959 1442 or a map with x marks the spot

4 The FS number from the Leicestershire County Council

5 Enquiry number from Leicestershire CC (they send you two e mails when you report)

6 Photo of the problem if possible

I would be grateful to receive a copy of any feedback email you get back from LCC

The easiest way of getting a four National grid ref at home is from streetmap on your pc/laptop

Click on move arrow to where the issue is, click to convert to coordinates.

Richard Godbolt
